ROBOTICS CLUB
For Students Grades 4 - 8

Valley Christian High School pupils from WarriorBorgs Team 3256 will support students in 4- 8 grade in understanding about several aspects of STEM. Students will enjoy building and learning about robots. In addition, they will learn several life skills such as teamwork, problem-solving, collaboration, communication, and confidence.

Registration required. Space is limited to 20 participants.

NOTE: Registered students must agree to attend all the five days of the Robotic Club.
